

AARON SIDE TABLE

The Aaron side table is designed to accompany a lounge chair or sofa. We have incorporated a diagonal grain pattern to accentuate the deep colors of the solid wood. The table is light and can be moved freely as needed, it's great for laptops, books, or just a drink. Each table is made to order in our San Francisco workshop. Custom sizes are also available upon request.

12"W x 16"L x 27"H
