

## NOI STANDING TABLES

The Noi table is perhaps our most minimal table. The surface of the table rests inside a the steel table frame. This detail gives the Noi table a very clean slim look. The standing height of this table makes it an excellent piece for social work environments. The Noi table comes standard with a solid wood veneer top and natural steel base. This table is available in 4 standard sizes which can seat up to 6, 8, 10, or 12 people. Each table is made to order in our San Francisco workshop. Custom sizes are also available upon request.
