

STRETCHER CHAIR

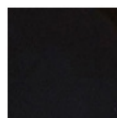

The Stretcher Chair was designed to showcase the touch, durability and beauty of solid wood. Each piece of this chair was designed to interlock in order to create a slim and modern profile. We made every effort to eliminate detail in this piece. The clean lines allow for the natural beauty of the wood to be front and center. Each chair is made to order in our San Francisco workshop. Custom sizes are also available upon request.

16"W x 18"D x 32"H (18"H seat)
